Objective

To obtain a position as a web developer using my education and experience in interactive media and my interest in accessible design and internet culture.

Education

Bachelor of Science in Web Design & Interactive Media,
The Art Institutes International Minnesota
Minneapolis, Minnesota
September 2005 to September 2008

Employment

Interactive Designer,
Greer & Associates

Minneapolis, Minnesota
October 2008 to Present

- Built websites and interactive applications for clients and for internal purposes
- Planned website architecture and functionality
- Performed IT-related tasks to enhance the efficiency of the agency

Production Intern & Contractor,
Clockwork Active Media Systems

Minneapolis, Minnesota
February 2008 to October 2008

- Worked alone and as part of a team
- Produced client sites using HTML, Javascript, PHP, and Clockwork's Active Media Manager CMS

Professional Experience

Designer and Web Developer,
The Central Mission House Church Fellowship

- Took the initiative in starting a weekly bulletin blog and sermon podcast
- Created a site for the Underground Network ministry (www.underground-network.org)
- Currently run the multimedia experience at weekly services

Team Leader,
Bleecker Street Boys, F1 Web Challenge

- Built a team of students and professionals to compete in a 24 hour web design competition
- Worked with non-profit clients to build a Wordpress site to their specifications
